

Celebrities BACK THE BID - #1

Good news Mr President,
the guy in charge of this
World Squash Day thing, a limey called
Alan Thatcher, says there's a place on
one of the teams for you.

You'll be playing against a Mister
Willstrop, if that's ok?

That's great Celine.
You tell Mr Thatcher that
whoever that Willstrop guy is,
he's going to get his *** kicked.
